This Luxury Resort Project is the perfect place to lie back, switch off and relax. But those with a desire for more activity are equally well served: swimming and water sports such as windsurfing, scuba diving, and wind surfing are a sheer indulgence in the tranquil blue sea while the more adventurous can head to the mountains for terrain that will delight mountain bikers, hikers, bird watchers, paragliders and botanists alike. From here, the deep blue sea can be glimpsed through the lace-like canopy of pine trees.

The villas are designed for luxury living. Residents can while away
