143 m<sup>2</sup> Covered | 3 Bedrooms | 2 Bathrooms

## Description

€229,500

FOR SALE 2 Houses.

The plot is located in the parish of Agios Theodoros in Paphos at the location known as "Mosfilin". It is located about 100 meters southwest of the Technical School and is adjacent to a public road. The accessibility of the property to the major area is excellent and to the other provinces good. The immediate area of the plot is one of the developing areas of Paphos and is increasingly popular in recent years due to the construction of increased housing as well as the existence of shops and offices on the main streets.

Property description and use

The houses for sale are the two houses out of the four continuously built houses located in the southern part of the plot. The condition of the houses is generally good. The frame of the construction of the houses consists of reinforced concrete, masonry bricks and a flat slab roof. The floors of the verandas are ceramic, the windows are sliding made of aluminum with glass filling and the decoration is enamel paint.
