Описание

This Luxury Resort Project is the perfect place to lie back, switch off and relax. But those with a desire for more activity are equally well served: swimming and water sports such as windsurfing, scuba diving, and windsurfing are a sheer indulgence in the tranquil blue sea while the more adventurous can head to

the mountains for terrain that will delight mountain bikers, hikers, bird watchers, paragliders and botanists alike. From here, the deep blue sea can be glimpsed through the lace-like canopy of pine trees.

The villas are designed for luxury living. Residents can while away hours in their private pool or jacuzzi, unwind in their sauna or enjoy the latest films in their state-of-the-art home cinema. Wine cellars, sculpture courts and well-equipped gyms are also key features.

All materials are extremely high quality, from natural stone floors and glass mosaic tiles to hardwood screens and marine-grade aluminum
