Land in Kathikas

 Kathikas, Paphos

Площадь

 **1673 m²**

FOR SALE land in Kathikas Village of Peyia.

The property has an almost normal shape and slightly sloping surface to the west while it is adjacent to a registered asphalt road along the western border in a person of about 30 meters. Due to its location it offers good views of the surrounding area and the sea. An urban planning permit has been secured for the development of the property with the construction of 3 houses with swimming pools.
